Initially, Mr. Diaz denied drug use and claimed he had consumed muffins that contained poppy seeds that a family member had given him. After further questioning, Mr. Diaz admitted to the undersigned officer to having consumed methamphetamine the day before, on August 14, 2024, after he left from his mental health appointment at Comprehensive Healthcare. Mr. Diaz reported he then went to a park and used methamphetamine with other individuals who were also using methamphetamine.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
